

Flash® helps designers and developers to integrate video, text, audio, and graphics into immersive, rich experiences that deliver superior results for interactive marketing and presentations, e-learning, and application user interfaces. You can:

- Accelerate projects with enhanced tools which make it easier than ever to create animation, add interactivity, and incorporate rich-media assets.
- Control results with powerful tools that improve quality and ensure user satisfaction for interactive marketing and presentations, e-learning, and user interfaces.
- Quickly build effective, data-driven applications in a strong development environment and deliver high-quality video with unique interactivity and custom interfaces to the widest target audience.
- Plus lots more ...

Are you taking advantage of what Flash has to offer?

A-Certif Ltd provide **Macromedia Flash training courses at several levels**, from a basic introduction class to advanced classes, and for all versions of Flash. Our experienced trainers are knowledgeable and friendly and will answer all your questions and make sure you are happy with every topic that you need to cover.

We offer **public courses** which have a standard content and take place at scheduled times. Alternatively we provide **private courses** which can be tailored to suit your particular learning requirements and delivered when and where you want them.
