

InDesign®

software combines extraordinary production power and creative freedom to take page design to a new level.

Assemble pages quickly, output them confidently

- Separations Preview palette - Prevent printing errors by using the Separations Preview palette to preview plates, overprinting, ink limits, and more.
- Story Editor - Edit and style text in the Story Editor, an integrated word processor that helps you more efficiently handle text spanning multiple frames.
- Robust cross-media support - Publish content to multiple channels more easily with enhanced XML support.
- Nested styles - Perform complex text formatting more efficiently with nested styles. For example, specify a unique drop cap font with a character style nested within a paragraph style.
- Plus lots more ...

Are you gaining the benefits that InDesign has to offer?

A-Certif Ltd provide **Adobe InDesign training courses at several levels**, from a basic introduction class to advanced classes, and for all versions of InDesign. Our experienced trainers are knowledgeable and friendly and will answer all your questions and make sure you are happy with every topic that you need to cover.

We offer **public courses** which have a standard content and take place at scheduled times. Alternatively we provide **private courses** which can be tailored to suit your particular learning requirements and delivered when and where you want them.
